The ***“Back To School Immunization and Community Resource Fair”*** will feature free immunizations, KidCare Health Insurance for children, Women, Infants and Children (WIC) information, Dental information for children, library card applications, drowning prevention information, school readiness information, and fun giveaways.

Children must be accompanied by a parent or legal guardian. Parent or legal guardian should remember to bring the child’s immunization records.

Florida law requires that all children from birth through 18 years follow recommended immunization schedules and guidelines.
