June 15, 2011

The United Churches of Liberia (UCOL) and surrounding communities are pleased to present the 11th Annual **Progress in the Park Back-to-School Parade & Rally** on **Saturday, August 6, 2011 from 9 a.m. until 3 p.m.** at the Dr. Martin Luther King Jr. Community Center (MLK Center), 2400 Charleston Street in Hollywood, FL 33020.

Progress in the Park **kick-offs with a parade** of elected officials and Broward County Public Schools personnel, along with school and community bands and festive entertainers, **starting at 9 a.m.** The parade culminates with a rally in the park featuring a drumline showdown, free food, stage entertainment, and youth attractions.

Progress in the Park is an exceptional opportunity to emphasize the importance of education and celebrate the new school term. **Our main focus** is the giveaway of bookbags & school supplies to youth in need, and to ensure that parents and school administrators are able to communicate before the school year begins. Additionally Broward County Health Department provides free immunizations and health screenings which is a much-needed service for youth and community residents.

We invite you to join us for the parade and afterwards to be recognized at the back-to-school rally. We appreciate all the hard work and sincere efforts you make on behalf of our youth and community throughout the year.

Please **r.s.v.p. via email** (njchurch2254@aol.com) by **July 29th**. On event day, please **park at the MLK Center by 8:15 a.m.** Parade participants will be shuttled over to Collins Elementary in Dania Beach by 8:40 a.m. for parade line-up. Contact Kim Ford at 954-922-6098 if you have any questions.

Let's Celebrate Education!

Respectfully,

Rev. Michael K. Anderson *for*
